## Book on the Alzheimer Café

Dr. Gemma Jones's book explains about the café. She is the co-founder and chair of the Alzheimer Café UK charity.

The book chapters follow the themes discussed at the café. It contains interviews with professionals and guests at the Farnborough café.

*Copies are available to borrow or purchase at the Information Table at the café.*

***“Come out of the woodwork - you are part of society and we want you to take your part in it. Dementia is a part of life for some, for which nothing yet can be done. You didn't ask to get it; it could happen to anybody. Don't hide away.”***  
*Dr. Bère Miesen, Alzheimer Café founder.*

**We are a small charity, and are always looking for help.**

**Are you interested in volunteering?**

## What is an Alzheimer Café (AC)?

An AC is a monthly gathering in a friendly, café-like setting, to provide **dementia-related education**. It is for people who have (any type of) dementia, their family and friends, and anyone interested in dementia. The café is **free of charge**. Just like at a normal café, there's **no need to register in advance**.

It is organized by trustees and hosted by a café coordinator; volunteers and professionals help. **Café guests include:**

- people who have dementia, their family, partners, carers, friends, neighbours (grandchildren too, if they can enjoy a talk)
- 'Core family members' – who have attended the café for several years and can help newcomers feel at ease
- interested others - health and social care students, staff from local care homes and services

**Refreshments and nibbles are provided.** At the Christmas and summer social evenings there are meals and special events.

**The AC aims to reduce fear of dementia and stigma** by providing:

- a place to meet and socialize with others 'in the same boat'
- education about dementia – especially the emotional aspects
- support for people with dementia and family carers
- information about local services at a 'literature table'

## What happens at an Alzheimer Café gathering?

At each café gathering there is a talk, interview or video-clip related to dementia. Topics are presented and discussed openly and sensitively. AC guests have the chance to participate and ask questions of the presenters. (See back page for topics.)

## When did the Farnborough Alzheimer Café start?

The Farnborough Alzheimer Café opened in 2000, and was the first café in the UK. It is part of a network of cafes that follow the original Dutch model started by Dr Bère Miesen, in 1997.
